January 2020 Meeting Minutes

The previous month's meeting Minutes were provided for review.

- A motion to approve the Minutes was made by Mary Kelley-Crapse.
- The motion was seconded by Eleanor Hasse.
- The Minutes were approved unanimously.

Treasurer's Report

Treasurer Staci Mantz was unable to attend tonight's meeting. She did provide Profit & Loss Reports for everyone to look over.

Vice President Sherry Skinner discussed that the PTSA has received a couple of large donations this year that the PTSA Board was hoping to use towards the purchase of some new technology for the school. Sherry and Lysa have discussed this idea with Mr. Mares. He said that Wake County Public School System would be providing schools with technology later in the year, so after he found out what they would be providing, then he would have a better idea of what the school's needs would be. The PTSA could earmark some of this donation money for this Special Project.

Committee Reports

- Gardens & Grounds: Looking ahead to Spring Clean-Up Day on Saturday, April 4th. Sign Up Genius will be going out for volunteers. Instructor Dulce Rodriguez commented that she would appreciate some gravel or mulch being put in the areas near the modulares because when it rains, it becomes very muddy and creates a "lake" by the buildings.
- Hospitality: Career Conversations events last week cancelled due to weather. Breakfast items were put in the Teachers Lounge instead.
- Student Recognition: Honor Recognition Ceremonies coming at the end of April. Sign-Up Genius will be going out for volunteers and cookie donations.
